The following are common sense examples of how to create a positive culture and climate:

Good practice

- Always work in an open environment (e.g. avoid private unobserved situations and encourage open communication with no secrets).
- Treat all children equally and with respect and dignity.
- Always put the welfare of each child first.

Practices to be avoided

- Avoid spending time alone with children away from others save in essential one to one situations when extreme care should be exercised.

Practices never to be sanctioned

- Allowing or engaging in horseplay, physical or sexually provocative games.
- Allowing or engaging in any form of inappropriate touching.
- Making sexually suggestive comments to a child or young person, even in fun.
- Reducing a child to tears as a form of control.
- Failing to act on and record any allegations made by a child.

Incidents that must be reported/recorded

If any of the following occur during or in the context of an Pirouette Academy event or activity, it should immediately be reported to the Principal.

- If you accidentally hurt a child.
- If a child appears to be sexually aroused by your actions.
